

GLORIA

GLORIA is a premium deep-recessed downlight designed with advanced dark optics to minimize glare and provide a precise beam angle. Its sleek design ensures a smooth and uniform lighting experience while maintaining visual comfort. At the core of GLORIA is the principle of precision illumination, delivering light with exceptional accuracy and efficiency. Whether used to highlight architectural features, artwork, or key areas of a space, GLORIA ensures focused attention where it's needed most. Its refined, functional design makes it an ideal solution for both residential and commercial environments, offering superior performance without compromising on style. GLORIA is the perfect choice for spaces where quality, control, and aesthetic appeal are paramount.

Technical Info

Type of light source	LED
CCT	3k 4k 5.7k
Power	8/10/12/15 W
Lumen Output	90 lm/W
Power Voltage	AC140-270V
Body	Aluminium
Input Frequency	50 Hz
Driver	Integral
Diffuser	N/A
IP rating	IP 20
Optics Distribution	Opal/MPO
System efficacy	90 lm/W
Product Size	D - 86mm, H - 104mm
Installation Type	Recessed

D	86mm	105mm
Cutout	75mm	95mm
H	104mm	119mm
