

WALLINE

A lens-based linear suspended fixture, Walline, offers a sleek design and strategic placement for consistent, even light distribution. Its precise illumination enhances depth and dimension, making it the perfect solution to highlight graphics and architectural features along walls. Ideal for creating visually striking interiors, Walline provides a seamless wash of light that draws attention to key design elements without overpowering the space. With an unobtrusive profile, this fixture blends effortlessly into any environment, complementing both modern and minimalist aesthetics. Combining functionality with elegance, Walline is a versatile choice for transforming spaces into captivating visual experiences while maintaining a clean, understated appearance.

Technical Info

Type of light source	LED
CCT	3k 4k 5.7k
Power	22/33/44W
Lumen Output	104 lm/W
Power Voltage	AC140-270V
Body	Aluminium
Input Frequency	50 Hz
Driver	Integral
Diffuser	N/A
IP rating	IP 20
Optics Distribution	Lens
System efficacy	104 lm/W
Product Size	W - 42mm, H - 65mm
Installation Type	Pendant

L	1176mm	1761mm	2346mm
W	42mm	42mm	42mm
H	65mm	65mm	65mm
